## WALK #95

### Lay Director Letter

Walk #95...Wow!! What a success I would like to thank the Living Water Emmaus community for giving me the honor and privilege of being the lay director on a second walk. As I had mentioned to the community several times, I had prayed God would give me a do over, and God saw fit to give my another opportunity.

I would like to thank my team for the success of Walk #95. I have worked quite a few walks and I will say that I had the best team ever!! Art led the clergy with excellence! Don led the music team with excellence! Gary led the agape team with excellence! The table leaders and assistant table leaders were outstanding in owning their responsibilities. A special thanks to Joe, Chris, Lamar and David, who made me look like I knew what I was doing..

I would like to give a special thanks to the women who decorated for the banquet and after candlelight. They made the experience so personal for me. You ladies are very special and your efforts will not be forgotten.

I want to thank everyone in the community for all the agape, love, and prayers and everyone who committed to any task in the book. The walk could not take place without the efforts of the entire community. I can't thank you enough.

This walk had a different atmosphere than any walk that I have ever worked. The walk was full of broken men. My wife asked me what my favorite part of the walk was, and I

answered watching the transformation of the men. What a blessing to see all the answer to all of the community prayers unfold in front of our eyes. Out of the darkness and into the light!!

I want to thank the pilgrims for allowing our community and the team the opportunity to share the love of Jesus for those 3 days. Remember that if you don't get involved in the community, chances are you will never work a walk. Christ is counting on you! You hold the keys to others free! Be Bold and Be Blessed!! I must give a special shout out to Chris Rowten (Tinker Bell). Who did a great job getting everyone up each morning.

Thank you again for allowing me to serve as the lay director for Walk #95.
