Issue # 113

Words from your Lay Director

It's time for Thanksgiving! And we sure have a lot to be thankful for. I would like to start out thanking Tulia First United Methodist for hosting our October Community. The meal was delicious as usual. It's always good when we put all that food together, and a real blessing to watch our community fellowship together. The music team of Walk #52 led us in praise to our Lord. We really have some wonderful music talent in our community. Thanks to Felicia Valles for sharing her testimony in our 4th Day talk. Our God reigns and she let us know He is reigning in her life. By the way, she and her husband, Johnny, are going to be taking care of our instruments for Communion. Thank you both. And we appreciate Keith and Janet Pyle for their time on that job.

God gave people the words to write the Bible. He has not given me any to add to it. If He did, I guess we could call it "Donoronomy". He didn't, so I use others who had words of inspiration from the Holy Spirit. I know what I want to say but Paul said it better in Philippians 1:3-11. Seems as though every time I wake up you are on my mind. I want so much for each and every one of you live a life of joy and peace. We can through Jesus Christ.

Paul, writing in Romans 1:8-12 tells my feelings for you as we come together each month at community, "I'm eager to encourage you in your faith but I also want to be encouraged by yours. In this way, each of us will be a blessing to the other."

I cannot understand why anyone would want to live a life of the world when they can live a life of joy, peace and happiness instead of gloom and doom. Paul was encouraging the people to tell about Jesus. When we tell the "Good News", it is the power of God at work saving everyone so they can have the abundant life we talk about. Go about God's work as you are at work and play and watch your life thrive in goodness. Ask to be in His favor so you can spread the "Good News", trust in Him and claim this good life for yourself. God desires that we have it. It is ours for the asking. Tell others about Jesus and invite them to have a 72-hour walk of love with Him.

De Colores!

Don Sanders

Being a sponsor is one of the most important roles of the Walk To Emmaus. Several areas must be covered in order for the pilgrim to have an exciting and successful walk.

Walk Lay Director
Expresses Appreciation
The best thing about serving an amazing God is that His promises are always true. When we get out of the way and let Him preside, then results happen. That's what happened with Walk # 52. God's walk!

Many prayers and concerns that went up for this walk brought about a spirit-filled team, starting with Max Browning and his clergy team. Max's wise and wonderful council with the team and the clergy brought the team together with one result - service for our Lord.

The pilgrims came because you brought them and prayed for them. God chose for them to be there.

You are to be commended for your prayers, the wonderful agape, the food and candlelight. Thank you so much for caring and sharing your love for others.

Not one member of Team # 52 could we have done without; they worked together well for one purpose - the love they have for Jesus Christ!

Thank you ! Your sister in Christ,
Donna Burnett
