# LIVING WATER

June, 2008

Issue # 132

## WORDS FROM YOUR LAY DIRECTOR

DEAR BROTHERS AND SISTERS,

One of my favorite things about Emmaus is getting to worship with so many people who are so different from each other. It astonishes me how Christ's calling on our lives brings us together even as different as we all are. I have been thinking about the foundations of our Emmaus community. Things like servant hood, love, devotion, strengthening our individual churches so they can strengthen our communities come to mind. The real heart of God is doing things for others not to see what they will do for us in return but to let them see an example of what it means to serve. That is exactly what God did for us through his Son. Now he calls on us to stretch out our arms and give. You never know how God can use even the smallest act when it is done with the proper motive.

As you are well aware, walk # 58 is next week. Let's use this as an opportunity to get out of our comfort zones and serve people we don't even know. Let's ask God to help us know how to show his love to the ladies of walk #58. They are going to ask "Why are you doing this?" The only answer is that we believe this is what God has called us to do. That can be the only answer. We need to ask God to help us imitate the life of Christ in our personal lives and in the life of Living Water Emmaus so we will be able to help others see Him.

Please make every effort to come out and support and pray for walk #58. Pray that both the pilgrims and the team will be able to leave the world behind and totally focus on what God has in store for them.

De Colores!  
STEVE OLSON
