Issue # 155

Words from your Lay Director

Dear Brothers & Sisters in Christ,

Well, this has been another eventful month in our lives. I pray that each of you have had a good month without some of the drama that we have had. I would like to thank everyone for your prayers during my brief but scary stay in the hospital. God is still in the miracle business. The doctors determined that my cancer had not returned. Praise God!!! We had a wonderful Kairos at the Roach Unit in Childress. Many lives were changed and I am not talking about just the 42 participants. Every one of these that I work, God peels back another layer of me that I need to work on and I thank Him for that.

I would like to thank the First United Methodist Church of Silverton for hosting April's monthly meeting. I would like to thank Rance for taking care of everything in my absence and I would like to especially like to thank Jerry Beck for giving the 4th Day Talk. I hated to miss but my doctor had other plans for me.

I haven't heard the latest count on the number of pilgrims that we now have for the June and July Walks, but I am sure that there are still plenty of openings. As I said last month, there are many people in our communities that need to receive the blessings that come from attending the Walk to Emmaus and many more that just deserve to be loved on all week-end. Let's get out and beat the bushes and get Pilgrims signed up. June and July are traditionally hard months to fill a Walk, but if we as community members do our job of showing Christ's love to the world, we will find someone we can sponsor and get them signed up. This is not the lay director of the Walks job, they have enough on their plate preparing themselves and the team. Let's not let all of their work go in vain because we don't have enough pilgrims. Most of all let's not let down those prospective pilgrims out there that just need to be asked. God's love is not for an exclusive few but to be shared with the whole world.

Until next time May God Bless

Melvin Vanlandingham

The Board invites and urges all new community members and others who have never sponsored a pilgrim, and anyone who has not been through a recent training class to participate. The class will last for 30 minutes. Being a sponsor is one of the most important roles of the Walk To Emmaus. Several areas must be covered in order for the pilgrim to have an exciting and successful walk. Worship begins at 7:30 with praise songs, and closes with communion.
