From Your Community Lay Director

Dear Emmaus Family,

Thank you so much to First Assembly of God in Plainview for hosting our February community meeting. Great food, fellowship and great music.

Thank you Greg Carroll and your band for blessing us so greatly.

Elaine Barrett said that she had 20 people at sponsor training. God is really moving in our community.

Thank you Gabby Barrera and Janet Pyle for sharing your 4th Days with us. We love you both and pray God’s blessings on you.

Well, the January men’s walk is over and it was an awesome weekend. Looking at the pilgrims on Sunday afternoon was looking at totally different men then I saw at send off on Thursday. It was a great blessing at community to hear how God is blessing Gabby Barrera’s life since the walk. Please keep all of the men in your prayers as they deal with each new 4th Day. It was awesome to see so many of them at community this month.

This wonderful warm weather has been great. It reminds me that God renews. As things turn green remember how God not only renews the earth but each of us as we open ourselves to Him.

Please be praying for Melinda Horsford as she prepares her team for the Woman’s Walk June 2-5 at Wayland. Kyle Brock is going to be her spiritual director. Please keep him in your prayers as he gets the clergy team together. And remember to pray about who you can bless by sponsoring them on this walk.

Jim and Betty Stanford work with the women at the woman’s shelter here in Plainview. They encourage, bless and help these woman get their lives back. They would like to sponsor 6 of the women on the June walk. They are asking that if anyone in the community would like to help either financially and as additional sponsors that they would let me know. We all know that a Walk is a life changing experience and these women need to know that they are loved by God. Please pray about how you might be able to help Jim and Betty.

I ask the anyone that plans to sponsor a pilgrim in the future that not wait until the last minute to send in the application. We all have gotten used to not having a waiting list. The January walk changed that. The team works hard to prepare for the walk and should not have to be concerned that we may not have enough pilgrims to have a walk. Lets become better about getting those applications sent in. (continued on back page)

DeColores,
Nancy Martin

Being a sponsor is one of the most important roles of the Walk To Emmaus. Several areas must be covered in order for the pilgrim to have an exciting and successful walk. Worship begins at 7:30 with praise songs, and closes with communion.

Once again I have to say thank you to all of you for your great support and blessing my life in so many ways.

We still need a host church for the April community meeting. Please let Kayla know if your church would be willing to host community in April.

Please continue to keep the families of Larry Mc Donald and James Smith as they heal from the loss of their loved ones.

Looking forward to seeing all of you in Silverton on March 17 for community. Until then you are in my prayers and thoughts.

Nancy Martin
