

Living Water Emmaus

May 2018

Hey Guys!

We are just a few days away from community, this month it will be held at Western Heritage Church in Hale Center. Bring your appetite!!

The women's walk is filling up fast , 29 women so far. If your holding onto an application make sure you get those in ASAP! The women's walk will be held June 7-10th, be in prayer for Judy Macha and her team. We need lots of agape and agape food for these ladies!!

A great big thanks to Debbie Braselton, shes going to be making the Lay Director agape sign up book for us for each walk.

The next men's walk will be in Amerherst August 23-26, join me in prayer for Lay director Jeff Braselton and his team. This walk will be here before we know it, let's start getting those spots filled up, buckle down and get those applications in.

Also, don't forget if you've had a pilgrim on a walk before remind them of sponsors training , it starts at 6pm on community night.

The last thing I want to remind y'all about is host churches, we have one for June it will be at Plainview First Assembly. We still need host churches for the rest of the year!

I can't wait to see y'all at the May community meeting!! If I can help y'all with anything please let me know.

Your brother in Christ,
Tyson Evans

"So get rid of all malicious behavior and deceit, don't just pretend to be good! Be done with hypocrisy and jealousy and backstabbing, you must crave pure spiritual milk so that you can grow into the fullness of your salvation. Cry out for this nourishment as a baby cries out for milk, now that you have had a taste of the Lords kindness!!"

Application Deadline Announcement

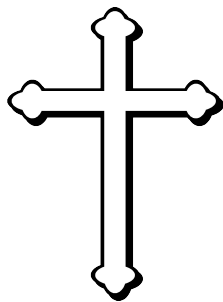

Waiting until the last minute to sponsor a pilgrim on a Walk to Emmaus is leading to numerous challenges for Living Water Emmaus Community (LWE) and for the facilities that host us. Many things must be done in advance of a walk such as:

- confirming with the host facility there are enough pilgrims to have a walk
- ordering food
- gathering supplies for the walk
- team members confirming time off to work a walk.
- community members making bed and table agape

Therefore, the LWE Board will institute an **application deadline, 20 days prior to a walk**. Please plan to have all pilgrim applications submitted to the registrar no later than 20 days before a walk. This will ensure that a walk will take place and that the event will go smoothly.

20 completed applications must be submitted to the registrar by the **application deadline "20 days prior to a walk"**. If 20 applications are not submitted there will be no walk and the walk will be canceled. For any Pilgrim applications submitted later than the deadline it may be necessary to put them on a roll over list for the next scheduled walk. Exceptions to this rule will be granted on a case by case basis and only with approval of the LWE Board. This will allow genuine extenuating circumstances and not simply because the sponsor failed to get the application in on time.

Note: If your Living Water Emmaus name tags does not have a church listed, please contact Judy Jackson (806 786-6206 or djjackson@hughes.net.com) and let her know your church so it can be added to the member directory.
