

Living Water Emmaus

July 2018

Hey y'all,
Tyson has been super busy with work and so I (his wife) am writing g this months letter.
What at a fantastic community meeting we had in June at Plainview First Assembly, a huge Thank You to them for hosting. Just a couple of reminders we need to get out there. We have a men's walk coming up in August. We MUST have 20 pilgrims by August 3rd, to make this walk happen. I know we all know a guy who would have one amazing experience in knowing the Love of Christ. Please get applications in ASAP if you have a pilgrim already, if you need an application please contact Tyson or myself, and we can make that happen. If funding a pilgrim is an issue don't let that stop you, reach out to the Emmaus Community and we will get it all taken care of. Also, sponsors training is super important, sponsors training will be at our next community meeting at 6pm at the CapRock Cowboy Church in Roaring Springs, 302 Broadway street, Downtown by the city park use to be the old Methodist church. We are still in need of a Host church for August. If your church is willing to help us out by hosting please let Tyson know. Please keep the men's team of the upcoming walk in August in your prayers. Jeff Braselton is the lay director for this walk, and I know that he and his team will appreciate all the prayers! We all know that the enemy works hard while preparing for these walks, stand firm and shine your lights. We are the hands and feet of Jesus. Lastly, let's show up big at Roaring Springs.
DeColores,
Dotty Evans

Walk #94 Lay Director Letter

Dear Living Water Community,
Thank you for your wonderful, prayerful support of Walk #94! God gathered the team He wanted. It was amazing to watch this process play out. I was humbled and honored to have served God with this team. They each went above and beyond what was asked of them, with such a Godly love in their hearts for the pilgrims.

Each time Satan tried to interfere with the Walk (and he did try), God's Holy Spirit showed up and answered in such a way as to allow us all to witness God's love and power- His grace in action! Thank you Jesus, lives were changed and burdens laid down as we witnessed the reality of Your grace at work in our lives. (There were three baptisms after the closing on Sunday!)

The goal of Emmaus (a life in grace) is to better equip Christians with a focus on their relationship with Christ and serving Him through their church, family and community. Better cooperation between denominations can't help but occur when the central focus is on Jesus! Healthy church members make for a healthy church. The goal of Emmaus was accomplished in Walk #94

The pilgrims have been the best advertisement for the Emmaus movement as they live out their Fourth Day. Thank you to all the pilgrims for adding immeasurably to my life and for allowing me to witness God moving in their lives.

I have enjoyed watching snippets of their Fourth Day play out on Facebook! I am looking forward to seeing Walk #94 pilgrims and team members at future community meetings. Love you all!

De Colores!
