## Faith, Seeking Signs

Do you trust God or are you still seeking a sign from Him for more proof? If you are struggling in your faith, ask the Lord to increase your faith. So often in life, we get down the road before we realize what God did for us a long time before. If only we could realize His signs when He is working in our lives and praise Him for His faithfulness to us. Are you seeking a sign today?

Look around and see all that Jesus is doing in your life right now. For me today he opened my eyes this morning to enjoy another day! He gave me someone to share the ups & downs of this life with! He sent old friends to bless my day with at work. He reminded me of new friends that are going through life's struggles and that I have the privilege to pray for them! He may not smack you in the head with a sign, but if we pay attention He provides signs all through our day!

Seek Jesus first and you may just notice all kinds of signs that you have been missing!

DeColores!
