## March 2017

#### What's your role in the Body of Christ?

There are different kinds of gifts, but the same Spirit distributes them. There are different kinds of service, but the same Lord. There are different kinds of working, but in all of them and everyone it is the same God at work. **1 Corinthians 12: 4-6**

I have recently had to spend some time with my grandmother in the hospital. I observed such caring, caregivers for her. Each one had their own special God given gift. A nurse that was great at conversation, which put us at ease. An X-ray tech that joked and told stories that made us laugh. The Doctor who took her hand and prayed over her, not just a generic prayer but one that made us tear up & know that it was heart felt by him. To the food deliveryman who said, "God bless you & enjoy your meal" every time he delivered her food. Each had a special service and all of them working together made what could have been a scary time for my grandmother a blessing.

#### **My grandmother's words of wisdom:**

The Lord is with you through the ups & downs. And He & I have really good conversations. There is not one day I don't talk to the Lord. Sorry to say some people don't enjoy that privilege.

Janet Pyle will lead sponsors training at 6:00. The Board invites and urges all new community members and others who have never sponsored a pilgrim to participate. The class will last for 30 minutes. Being a sponsor is one of the most important roles of the Walk To Emmaus. Several areas need to be covered in order for the pilgrim to have an exciting and successful Walk.
