Issue # 201

*Community Lay Director*

Rance Young, at our last Candlelight brought a message on John 10:10. He told us that the thief comes to steal, kill and destroy. But that Christ came so we may have life and have it more abundantly. This was a powerful message and I left with a new understanding of this verse. I use to think stealing was taking a material possession of mine. But watching the change in the pilgrims of Walk 80, I learned that Satan can take something more valuable. We can get so caught up in the pressures and pleasures of our day to day life that we forget to spend quality family time with our Heavenly Father. This allows Satan to steal joy and happiness from us.

At send off, I got in a position so that I could look into the eyes of each pilgrim. Some looked excited, some looked scared, but most had a look of what have I got myself into. At Candlelight, after the pilgrims had spent some quality time with their heavenly father, I saw joy in their eyes.

Members of the Living Water Emmaus community are we spending enough quality time with our Heavenly Father or are we letting Satan steal joy and happiness from us?

To Living Water Emmaus #80 men’s team- well done, and to the pilgrims of LWE 80 never let Satan steal your happiness.

David Howell

Every day God gives is a blessing.

What a gift! .... Worth sharing!

Something to think about...

Imagine that you had won the following \*PRIZE\* in a contest:

Each morning your bank would deposit \$86,400.00 in your private account for your use. However, this prize has rules.

The set of rules:

1. Everything that you didn't spend during each day would be taken away from you.
2. You may not simply transfer money into some other account.
3. You may only spend it.
4. Each morning upon awakening, the bank opens your account with another \$86,400.00 for that day.
5. The bank can end the game without warning; at any time it can say, " Game Over ! It can close the account and you will not receive a new one.

What would you personally do?

You would buy anything and everything you wanted right?

Not only for yourself, but for all people you love. Even for people you don't know, because you couldn't possibly spend it all on yourself, right?

You would try to spend every cent, and use it all, right?

ACTUALLY This GAME is REAL!

Shocked ?? YES!!

Each of us is already a winner of this PRIZE. We just can't seem to see it.

This PRIZE is \*TIME\* !!

1. Each morning we awaken to receive 86,400 seconds as a gift of life,
2. And when we go to sleep at night, any remaining time is NOT credited to us.
3. What we haven't lived up that day is forever lost.
4. Yesterday is forever gone.
5. Each morning the account is refilled, but the bank can dissolve your account at any time WITHOUT WARNING....

SO, what will YOU do with your 86,400 seconds?

Those seconds are worth so much more than the same amount in dollars. Think about that, and always think of this: Enjoy every second of your life, because time races by so much quicker than you think.

So take care of yourself, be happy, love deeply and enjoy life!

Here's wishing you a wonderful and beautiful day.

Start spending....
