Community Lay Director

Dear Emmaus family,

Wow, we've made it all the way to November! We had a good turn-out for our Lay Director training on October 26, especially for the first time to do it. We are going to try to start having a regular training like this at the same time as sponsor's hour, if we can make it work. More about that at a later date.

I really need you to do one of two things for us to plan for the trip to Tarzan on November 23.

**First**, I need to know who is willing to take your vehicle to Tarzan, and how much room do you have to carry someone else in your car?

**Second**, I need to know who really needs a ride in the bus or in someone else's vehicle. I believe the bus only holds 20 people, if I'm not mistaken. Plainview First Assembly will have one bus available to carry 12-14 I believe. So all of these seats will be first come first serve and hopefully others will be able to car pool.

Please call me at 806-494-1248, or e-mail me at [kwarren804@gmail.com](mailto:kwarren804@gmail.com), and tell me whether you are taking your car or whether you need a ride. Those who are riding the bus, plan on donating some money to give the driver a love offering.

We will need to leave by at least 11:30AM on the 23rd to get to Tarzan by 2:00. We'll meet at 11:00 at Plainview First Assembly for both bus loading . They are planning to have our lunch ready there at 2:30, followed by the meeting at 3:30. No board meeting or sponsor training will be held this month. I am really looking forward to this road trip! I hope you are too! Call me!

DeColores,  
Sheri Warren

God and the Scientist

We have all seen this one, but need to be reminded occasionally  
WHO our creator is.

God was sitting in heaven one day when a scientist said to Him.

“God, we don’t need you anymore. Science has finally figured out a way to create life out of nothing-in other words, we can now do what you did in the beginning.”

“Oh, is that so? Tell Me...” replies God.

“Well,” says the scientist, “we can take dirt and form it into the likeness of you and breathe life into it, thus creating man.”

“Well, that’s very interesting...show Me.”

So the scientist bends down to the earth and starts to mold the soil into the shape of a man.

“No, no, no...” interrupts God, “Get your own dirt.”

When hosting community, Churches are responsible for the Dinner & dessert plates, napkins, silverware, cups, & drinks. Childcare is optional for the church, but Emmaus does pay \$25.00

Dear Pastors and Christian Friends:

Last year’s Community Thanksgiving Dinner was extremely successful (more than 600 attended) and we’re asking for the help of you and your church to serve even more folks this year as the event will be at the Ollie Liner Center from 6-8 p.m.  
MONDAY, NOV. 25.

The turkey and ham are taken care of and several churches already have agreed to provide various food items but we’ll need lots of dressing and cobbler as we did last year.

If you’d like to help - with food, money or volunteers to greet and serve - please contact Dr. Rick Shaw, missions professor at Wayland and coordinator of the event, right away to see where help is needed most. His students will be getting flyers up around town but may need some help in doing so in your church “neighborhood.”

Pastors, you may have folks in your congregation you’d like to send this note to for their assistance. Laypeople, you may want to contact your pastor to see how you can help. A choir will perform around 7 or so and a testimony by a Wayland student and a gospel presentation will be given.

Please do what you can to help us with this great outreach to our community.

Call me if you have any questions.

Grace and Peace.....  
Danny Andrews
