*Community Meeting  
June 18th First Assembly of God  
Plainview, Texas*

June, 2015

Issue # 214

**COMMUNITY LAY DIRECTOR**

Dear LW Emmaus Community,  
We had a wonderful Community Meeting at First United Methodist Church, Lockney, I want to thank all of their members for the hospitality. Alfred Segovia blessed us as he led us in praise and worship. Denise Smith was our Fourth Day speaker and shared how God has worked in some troubled times with her and her husband but how by listening to Him saved her marriage. Thank you Denise for letting God speak through you! Our next community meeting will be held at the First Assembly in Plainview on June 18<sup>th</sup>. I hope you will make an effort to be there to worship and fellowship with us. This is also the deadline to bring your pilgrim forms for the upcoming Women's Walk to be held at the ARK on July 23<sup>rd</sup> -26<sup>th</sup>. We need pilgrims! The team has been working hard to make this a great walk so I encourage you to help make it a full one. I pray that you will reach out to someone today and share the Living Water Emmaus experience with her!

Mark your calendars now for "Praise In The Park" at the pavilion on the square in Hale Center on August 20<sup>th</sup>. Please let Alfred or myself know if you and your music team would like to share a couple of songs with us on that night. It was a great success last year so I hope you will all bring your picnic basket for you and your family, your lawn chairs and come enjoy! That being said, July 16<sup>th</sup> Community meeting will be at First United Methodist Church Floydada and we commission the team for Walk #85.

I want to take this opportunity to thank Kyle Brock for his leadership as our Community Spiritual Director over the last year. Kyle has worked very hard in our community at many walks, team meetings and community meetings. He will be on the board for another year and will be a mentor for Jerry Beck as he leads us this next year. Thank You Kyle!!

Paul tells us in 1 Thessalonians 5:17 to "never stop praying." But many times, we pray only as a last resort when it should be our first response. I read about a kindergarten class that went to the fire station for a tour. The fireman was explaining what to do in case of a fire. "First go to the door and feel the door to see if it's hot. If it is hot, fall to your knees! Does anyone know why you should fall to your knees?" A little voice spoke up, "Yeah, to start praying and asking God to get us out of this mess!" How true! The power to withstand temptation comes from a praying heart. The devil will do anything to keep us from praying. He laughs at our religious activities and mocks our human wisdom, but he trembles when we pray!

De Colores,

**Community Gathering  
--June 18--**

**First Assembly of God  
Plainview, Texas**

Board 5:30 PM  
Sponsor's Training 6:00 PM  
Meal 6:30 PM  
Worship 7:30 PM

Guests are welcome and nursery will be provided.  
Bring your favorite dishes. Wear your name tag. Bring your worship book. Come to share in the fun and fellowship!  
LIVING WATER BOARD : 5:30 PM.  
SPONSOR'S TRAINING will be held at 6:00 PM with Janet Pyle as leader. The Board invites and urges all new community members and others who have never sponsored a pilgrim, and anyone who has not been through a recent training class to participate. The class will last for 30 minutes. Being a sponsor is one of the most important roles of the Walk To Emmaus. Several areas must be covered in order for the pilgrim to have an exciting and successful walk. Worship begins at 7:30 with praise songs, and closes with communion.

Mosquito Trap - A Cheap Way

This information may cause massive loss of jobs in insecticides companies, but it could save thousands of innocent lives from the cruel fate of Dengue.

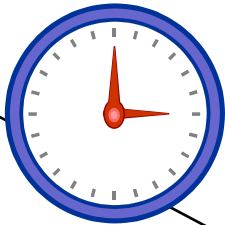

Our apologies to all branded insecticides in the marketplace.

DIY is so easy and its costs are unbelievably negligible. Eradicate Aedes and dengue.

FIGHTING DENGUE MUST START AT EVERY HOME.  
Mosquito trap (Prevention of Dengue & other mosquito borne diseases)  
It's just a mix of water, brown sugar and yeast.

- 1. Cut a plastic bottle in half, keep both parts.  
Can be soft drink bottle.
- 2. Take the lower portion of the bottle.  
Dissolve the brown sugar in hot water. Let it cool down to ~ 70 deg F (room temperature).
- 3. Add the yeast. Carbon dioxide will be formed and will attract the mosquitoes.
- 4. Cover the bottle with a dark wrap and insert in the top portion upside down like a funnel. Place it in a corner in your house.
- 5. In 2 weeks you will be surprised by the number of mosquitoes killed.

Thought for the Day  
By: Glenda Tipton

Beauty comes from a life well lived. If you've lived well, your smile lines are in the right places, and your frown lines aren't too bad, what more do you need? Jennifer Garner

Life isn't a matter of milestones but of moments.

Rose Fitzgerald Kennedy

The more you give,  
the more you get--

The more you laugh,  
the less you fret.

The more you do unselfishly,  
the more you live abundantly--

The more of everything  
you share,  
The more you'll always  
have to spare.

The more you love,  
the more you'll find

That life is good and  
friends are kind,

For only what we give away  
Enriches us from day to day.

Helen Steiner Rice

He who does not live in  
some degree of others,  
hardly lives for himself.

Michel de Montaigne

The purpose of life is to matter--  
to count, to stand for something,  
to have it make some difference  
that we lived at all.

Leo Rosten

Prayers are the stairs that lead to  
God, and there's joy every step  
of the way when we make our  
pilgrimage to Him with love in  
our hearts each day.

Helen Steiner Rice

May your unfailing love rest  
upon us, O Lord, even as we put  
our hope in you. Psalm 33:22
