

Living Water Emmaus

May 2020

LWE Emmaus,

Its time to touch base. I can't express enough how much fellowship is missed with each of you during these peculiar times. A piece of us appears missing. I will speak that my heart believes that ministry starts with communion directly with the Lord, and was originally meant to be from Father to son. I pray each of you have used this time to pour into the Father. In this event, families will be united stronger than ever, prayer will originate in the home, and the body of Christ will ignite a flame seen from the heavens. Emmaus is ready to join as a body again, and I ask each of you to come into agreement with the following. 1. The board has elected a community meeting this month Thursday, May 21st, and I will keep you posted to the details, when the Governor makes his statement May, 18th. We will follow the Governor's mandate on church services, and determine what precautions we are required to take. Northside Baptist Church Plainview has agreed to host our meeting. 2. Lord willing, Traci Campbell is keeping her team on task for walk 102. It is amazing to think of the potential impact of the first walk out of these times. I am asking the Emmaus body to stand in agreement with this decision. Please join our Emmaus body on day of prayer and fasting for this upcoming walk, on Thursday, May 7th. I pray each of you are well and can not wait to see each of you.
