

Living Water Emmaus

August 2020

LWE Emmaus,

It's a privilege to be a part of such an amazing body of believers. We have had great success in our recent community meetings. I appreciate agreement with canceling meals and changing up communion. Thanks to each of you for your support, whether it was in person or in prayer. "For where two or three gather in my name, there am I with them." Mathew 18:20. It is so true; He is pleased with us lifting him up and gathering in His name.

I have a few announcements.

First, James Head, and Mandy Thrasher have agreed to head up a mentoring committee of sorts (not definite on the name yet). This committee will use members of the community to mentor new members on the different ways to serve in our community. They will also be a voice for those who have been overlooked in the selection process of working walks or wish to be selected for different positions. The LWE board is striving to become an active board and integrate with the body of our community. If any of you desire to volunteer on this committee or express desire in future walks, please reach out to James or Mandy.

Second, Walk 103 has met all the minimal requirements to have a walk. Thank the Lord for His continued blessings in this endeavor. I implore each member of our community to consistently pray for a shower of blessings on the weekend of August 13-16. In addition, we will be making a few changes for the health and safety of our pilgrims and team. Any agape that goes from hand to mouth will be served or divided into individual portions. So please provide snack portions or provide the team with zip locks to divide agape items up into individual serving sizes. Candlelight will be done at an exact time to minimize possible exposure to those that participate. Time information will be provided soon. Thank you, Living Water Emmaus, for your support and being a true reflection of Christ.

De Colores,
Christopher Rowten
