

Living Water Emmaus

March 2021

Hello Community,

I want to welcome our new Brothers from Walk 104! I know you were blown away by God's love through His people, as well as feeling His direct love for you. I shared last month a bit from my favorite book, The Purpose Driven Life by Rick Warren and I will continue this month. "Life is all about love. Because God is love, the most important lesson he wants you to learn on earth is how to love. It is in loving that we are most like him, so love is the foundation of every command he has given us: "The whole Law can be summed up in this one command: 'Love others as you love yourself.'" Galatians 5:14.

I have seen a lot of posts the last 2 days on Facebook about "be kind". In the midst of "unmasking" just be kind. "Love leaves a legacy. How you treat other people, not your wealth or accomplishments, is the enduring impact you can leave on earth. As Mother Teresa said, 'it's not about what you do, but how much love you put into it that matters.' Love is the secret of a lasting heritage." (Rick Warren)

I do not want to be a "resounding gong or clanging cymbal", 1 Corinthians 13:1, I want to be love to others—in all circumstances, happy or cranky. I want others to see joy in my life and feel Christ's love flow through me and know that I am His disciple because of my love for others. I pray you all have this same desire and will lift me up as I lift each of you up each day.

I look forward to seeing you all at our March Community Meeting on the 18th at Western Heritage Fellowship in Hale Center. The Board will meet at 5:30, Sponsor's training at 6:00 and a BYOB (bring your own bag, of food) at 6:30 as we finally get to fellowship again. Worship will be at 7:00, wear your mask, don't wear your mask, whatever makes you comfortable—let's just worship our Lord of Love together.

DeColores,

Tracy Campbell

Walk #104

Lay Director Letter

LWE Community,

I am so blessed and honored to have led Walk 104 being a pilgrim in 2004 and since then have worked several walks. I have never been so blessed as I was from February 4-7 to see God work and show up the way He did. I have to admit that there were times getting the team together was rough. At one point when I thought everything was in order, the team wasn't coming together and the team meeting was short, I wanted to throw in the towel. But I always had others speak in my life. They reminded me I have done what I needed to do, now let God do what He wants to do; He will put on this walk who He wants and take off who He wants to take off. That is exactly what He did. We didn't have a full walk; we ended up with 23 pilgrims. We also were three short on the team, but God wasn't short in what He did. We had 6 guys give their life to Christ and one that said he will be trying to get into the missionary field. We also ended up having 3 guys on the music team giving talks and even one was a clergy and gave a talk. The whole team was awesome and made up the slack. The agape team was awesome and was short as well. God purposely gave us the amount of pilgrims for the team we had. He knew just what we needed. And one more thing, as we had no community meetings during this time, the way the community filled up the agape book was unbelievable. Now no one can tell me that wasn't God at work in his people. I love this LWE community

Jerry Wall
