

# Living Water Emmaus

January 2022

Hello Living Water Emmaus,

A new year has began hope everyone enjoyed their holidays and is ready for this new year. I don't know about anyone else but I see new beginnings. I'm not the one to make new years resolutions, not that I see anything wrong with it , but I do like to strive to have a closer relationship with my Heavenly Father. I do like to set goals that are attainable. And with that being said about new beginning, I did except the position of Community Lay Director which I am kind of nervous about it. But I do believe that with the help of this awesome community and the past Community Lay director (Tracy Campbell) that will help and assist me, we got this. As I think back on Walk 104, seems like every time I would tell my Spiritual Director (Kelly Warren) I messed that up, his reply was Jerry you can't mess up Jesus, now that was very encouraging to me, its doesn't matter how bad we think we mess up things Jesus is always there to make thing right, that's what He does. I am very excited about the next Men walk that is right around the corner . As of today we are short on pilgrims so if you have anyone that you feel lead that could benefit on this walk by all means lets get an application turned in.

I have always heard everyone deserves to go on a walk. My prayers for this year is that we can fill this walk and the upcoming walk in June and also the monthly community meetings. I reflect back on Hebrews 1:24-25 "And let us consider how we can spur one another on toward love and good deeds not giving up meeting together, as some are in the habit of doing, but encouraging one another... and all the more as you see the day approaching." With that being said if at all possible lets get out to the next Community Meeting which is January 20th at Harvest Christian Fellowship where we will be commissioning the team for Walk 108.

De Colores,  
Jerry Wall
