

Living Water Emmaus

February 2022

I want to start off by saying ain't God good. This walk 108 is happening this week Hallelujah Hallelujah praise God. We all know every time the enemy think he is winning God has a plan and just put him in his place. And his place is last place place. All we have to do is be still and wait on God to work and He will He never fails. His promises are always Yes and Amen. Every time we come close to calling off a walk, we can be sure something powerful is brewing up. God has a plan and the enemy through he could mess it up. Philippians 1:6 be confident of this, that he who began a good work in you will carry it on to completion. Our God will finish what He starts. I want to thank all the board member for all agreeing to extending the deadline for the pilgrims for another week. Everyone on one accord being the Body of Christ. Psalms 133 say when we dwell together in unity, He commands a blessing so look out a blessing is in the making.

Emmaus community we all know the camp in Roaring Springs is way out in the boon dock but, if at all possible, could we please bond together as the Body of Christ and members of the Emmaus Community try and make it to send off and candlelight. We all know what the candlelight done for us; it was one of the most powerful events of the walk. I know it is an inconvenience for most, but it is so powerful for the pilgrims. God calls us to inconvenience, to get out of our comfort especially if it is to benefit other, Phillippians 21:3-4 says Do nothing out of selfish ambition or vain conceit. Rather, in humility value other above yourselves, not looking to your own interest but each of you to the interests of others this is a part of agape doing for other. I remember my Mom would always tell us if you don't go out of your way to do something for someone you haven't done anything and that saying is so true. Well one other thing please keep the walk, the team, the pilgrims, the staff there at the camp prayed up that God will keep us safe from any harm or any sickness. Prayer is our most powerful weapon here on earth. See you Thursday evening and Saturday night!

DeColores,
Jerry Wall

P.S. I want to bring to your attention that we are just having 1 men's and 1 women's walk this year. That makes it even more important for the community to attend send-off and candlelight.
