

# Living Water Emmaus

March 2022

Well spring is in the air it's all around us. God is changing the climate in West Texas, but He never changes. He is the same yesterday, today, and forever.

Walk 108 was a great success! Its in books; the Holy Spirit showed up and stopped Covid out of the camp, what a blessing. There were men that accepted Christ as their personal savior. We were so blessed, the send-off was great and the candlelight was fantastic. Thanks to everyone that had a part of these events. We know its a long drive for most, but thanks for the sacrifices that were made to make this happen. This community is awesome.

Also let's keep walk 107 in prayer as it will be in Amherst. Let's get the application in.

We would like thank United Assembly church for opening their door to us we had a great time there. We also had a great turnout at the community meeting it was so good to see all the people that showed up how good to see the unity of God's people gather. What a great way to start year 2022.

Due to spring break, we are moving the community meeting to the fourth Thursday, so community meeting will Thursday March 24 at Faith Fellowship in Matador. Let me encourage you to continue to be a part of this great Emmaus community. Heb.10:25 NLT says and let us not neglect our meeting together as some people do, but encourage one another, especially now that day of his return is drawing near.

### Letter for Lay Director

Ladies and gentlemen of Living Water Emmaus, I want to thank everyone from the bottom of my heart: thank you, thank you, thank you. The turn out we had was absolutely heartwarming. The presence of God Filled that place. The prayer vigils, the agape, the kitchen angels, the team. Words cannot describe the impact that was made this weekend because of you. The prayers were truly felt, and God was revealed to these men. To see this Emmaus community come together the way they did this weekend was such a blessing. The candlelight, that's what I'm talking about right now, talk about sweaty eyeballs. To see that many people this time WOW!!!! I cannot thank everyone enough for all their hard work and efforts put towards this walk 108. I pray for the woman's walk of 107 to have even a greater turn out. The spark has started, and the fire has begun to grow. . Let's make the women's walk a blaze! I pray this community will continue to come together the way they showed on this walk. Thank you again everyone. God bless and DeColores, Cory Rocher
