

Living Water Emmaus

April 2022

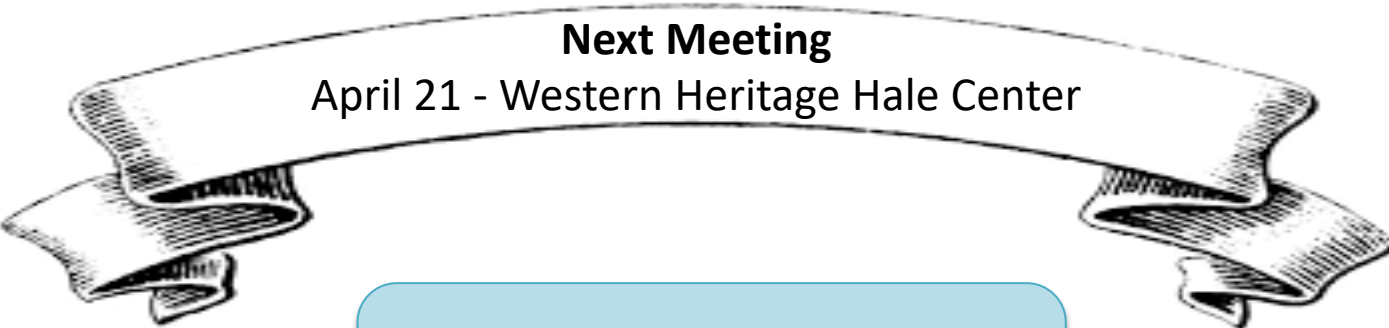

First of all, we would like to thank Faith Fellowship in Matador for hosting the community meeting last month. I am so excited the warm weather is on the way. God is showing up in so many ways. Everything is turning green the trees are in full bloom. I know that sometimes we take all this for granted but this is truly the work of God's hand. The flowers are being beautifully dressed by the hands of God; what an awesome God we serve to take care of all the details we most of the time take for granted. We are more important to Him than any of this; He even knows the numbers of hairs on our head. We just say yes to you for your faithfulness for all you do for us and this Emmaus community

Now that summer is right around the corner, let us not forget Women's Walk #107 is also right around the corner. Nancy Young will be leading and from what I hear we have plenty room for more pilgrims. Let's get those lady friends applications turned in. We roughly have a little over 7 weeks but let's not wait to the last minutes. Let's get this walk full. Since we are just having one men and one women walks a year, let's get them full and all do our part in helping to fill them up. We probably all have someone in mind that deserve to go on a walk

With that being said Heb.10:25 "not giving up meeting together, as some are in the habit of doing, but encouraging one another and all the more as you see the day approaching." Let's all meet together at our Emmaus meetings as well as at our local church to encourage one another. Hope to see you at our next meeting this month.
