

Living Water Emmaus

May 2022

Hello Living Waters Emmaus family all my brothers and sisters in Christ,

Well, some of us are in the busiest time of the year especially if we have seniors in school. There is Prom and there is graduation, a sad and happy occasion. Sad because they are on to the next stages of life and about to leave our homes but happy because of all their accomplishments. Let's keep our seniors whether they are graduating from high school or college in our prayers. May God continue to lead them.

Well summer is right around the corner and as I talk to the farmers, they all have the same thing to say it is dry and very dry. Let's all pray for rain that we might touch and agree with the farmers. We know that farming is the backbone of this nation; the farmers feed the world as they make their living in doing so.

Do not forget the next women walk #107 which is just a few days away. This walk is being led by Nancy Young and her husband Rance is the Spiritual Director. The last time I heard the walk is still not full, so let's get those application turned in. Keep in mind we are only having one men and one women walk this year so this will be our last walk for the year. At our next community meeting, we will commission the team, so, if possible, please be there to be a part of the commissioning. Let get those applications turned in the to get this walk full.

With that being said Heb.10:25 .. not giving up meeting together, as some are in the habit of doing, but encouraging one another and all the more as you see the day approaching. Let us all meet together and encourage one another in the Emmaus community as well in our local church. May God continue to Bless you and keep you!!

Hope you see you at the next community meeting
