

Living Water Emmaus

July 2022

Hello Living Waters Emmaus Family,

Hope all is doing well and enjoying these warm days. Can't believe we are in July, half of 2022 is already over. The kids will be back in school before we know it so enjoy the long days with them. I am still excited about the big turnout we had in Silverton last month and hoping we have a big turnout in Matador this month. I am happy that we got the Lay Director and Spiritual Director all good to go on the next men walk that will be in Roaring Springs in February. As they will be working on getting the team together, let's all do our part in getting the pilgrims and all the applications turned in. It would be such a blessing to have a full walk, and if we don't let the time get away and wait to the last minute, it is very attainable. We all have someone in mind that we would like them to experience what we experienced, so let's just start now.

This is just me thinking the more pilgrims we can get on these walks and then in turn get pilgrims, we will build this community back up and before we know it, we will be back to having four walks a year like we used to. Wouldn't that be a blessing. In Matthew 28:19 Jesus told us to go and make disciples and what a way to help make disciples, we are God's hands and feet that what He called us to do

Hebrews 10:25 not giving up meeting together, as some are in the habit of doing, but encouraging one another and all the more as you see the Day approaching. With that being said let's fill that church in Matador.

DeColores,
Jerry Wall
