

Living Water Emmaus

August 2022

Hello my brothers and sisters in Christ. It is mid August, summer is coming to an end. The kids are getting ready to go back to school if not already started. This is a busy time for the parents getting school clothes and school supplies for the kids. School is all in the air. I pray that your summers with the kids was really an enjoyable time when you can pour into them. Our children are a gift from God. As I was in a meeting last night, we were discussing the power of corporate prayer. In Matt.18 19-20 says “..Again, truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven.” So, community let's all pray in agreement for rain, this has been one of our worst summer. Not only do the farmer make their living farming but they feed the world, so let pray in agreement for rain, we are our brother's keeper.

The next Men walk is approaching in February. I know its a ways off but if we don't be careful it will slip up on us, so what I'm saying let's don't wait to the last minute to start getting pilgrims and getting the applications in, its never too early to get them in, or if you need to go to sponsor training lets get that done as well.

And again, i will mention in Hebrews 10:25 “..not giving up meeting together, as some are in the habit of doing, but encouraging one another and all the more as you see the day approaching”

One more thing to notice our monthly meeting has a slight change that the board approved, our mealtime will be at 6:45 instead of 6:30 this is to give the board members time to finish the meeting so they can eat and fellowship with the community before the worship service.

Hope to see you all at the next community service.
