

# Living Water Emmaus

October 2022

Greetings all my brothers and sisters in Christ, hope all is well with you as the fall and the cool weather are upon us. We should always give thanks for the changing of the season. In Ecclesiastes 3 it says, "there is a time for everything, and a season for every activity under Heaven." Thanksgiving will be here before we know it; its a time for thanks but the scripture says "give thanks always" not only at thanksgiving. Just want to to remind you that at our last meeting which was announced at the worship service last month we are in the process of having more walks next year, we are stepping out on faith and seeing what God will have us to do. It will take this whole community to make it happen, so we are asking for your help. We are all needed, and we all have a part to play. We are many members of the one Body of Christ. Now that things are kinda getting back to normal, this is very possible.

So with that in mind community, let us start now thinking and praying about this event that is in the making for 2023. We all probably have someone in mind that we would like to see and experience what we experienced when we were a pilgrim. Our next community meeting will be the 20th and hoping to see the building full. One of my favorite verses especially since the pandemic is now at a snail's pace is Hebrews 10:25 "not giving up meeting together, as some are in the habit of doing, but encouraging one another and all the more as you see the Day approaching." There is nothing like getting together as a church to worship God and to fellowship with other believers.

DeColores  
Jerry Wall
