

Living Water Emmaus

November 2022

Hello to all my brother and sisters in Christ, hope all is well on this day. We are now halfway through the month of November and Thanksgiving is right around the corner. This is the month most people really give thanks for all they are thankful for. These people are really missing out on eleven months of being thankful because we, as believers, thank God when our feet hit the floor every morning and thank Him all day long. Truly we have so much to be thankful for.

I like to let everyone know several board members had a very good visit with PBA in Floydada this past weekend, and we will see what God has in store for us. We will certainly follow God in making a final decision about moving forward. We really liked a lot of what they had to offer, but like I said we will pray about it and follow God's direction.

Let's not forget or put off what we need to do in the next couple of months the Men's walk that is right around the corner. February will be here before we know so let get some applications turned in and not wait for the last minutes. Kevin is pretty excited and so are we, its just a privilege and an honor to lead a walk knowing that someone gonna give or rededicate their life and we can be a part of it. What a great feeling and this is what God has called all of us to do is make disciples. In closing one of my favorite scripture especially since Covid is really drying down...Hebrews 10:25 not giving up meeting together, as some are in the habit of doing, but encouraging one another, and all the more as you see the Day approaching., let's get out and worship our Lord and Savior.

DeColores,
Jerry Wall
