

Living Water Emmaus

December 2022

Greetings to all my brother and sister in Christ, I pray all is well to each of you. Hope all had a great Thanksgiving with family and friends, but most of all stopped for a moment to reflect on how blessed we are and thank our Lord Jesus Christ. I know as well as you all know we have something to be thankful for every single day. Now that Thanksgiving is behind us, we are getting ready for Christmas which is just a few days away. Let's not forget about the Men's Walk that also right around the corner, if I'm not mistaken, I think they pretty well got the team and have started the team meetings, so we as a community lets do our part with getting the applications turned in. We will be having our last Emmaus meeting for 2022 in New Deal on the 15th. I'm sure its gonna be good like it always is in New Deal for Christmas. They do such a great job putting a Christmas worship service together along with the 3 strands; its a lot of preparation done for our December meeting, not to mention the good food and fellowship. You don't want to miss this one for sure. I just like this scripture, especially since the pandemic and so many people stay home and watch at home or dont go out, I think God knew we would face challenges like we are doing at this present time. That is why we have Hebrews 10:25 says, "not giving up meeting as some are in the habit of doing, but encouraging one another and together, and all the more as you see the Day approaching." So, lets get out to the meeting and encourage one another. This is the will of God to encourage and fellowship with one another. With that being said, lets get out and fellowship and support one another. We all need each other; God didn't create us to be alone. He even created us to have fellowship with Him. Hope to see the church full on the 15th!

DeColores,
Jerry Wall
