

Living Water Emmaus

January 2023

Greetings Emmaus brothers and sister,

Happy New Year! Can you believe it is 2023? I can't. With a new year comes many expectations of what we want to happen throughout the year. Often we are disappointed that things don't work out like we want them to. I read a wonderful devotional by Ruth Chou Simons that gave me a different perspective on the new year. She urges us to consider having an attitude of EXPECTANCY instead of having EXPECTATIONS. Our human expectations can leave us disappointed and even empty when things work out differently than we had hoped. Expectancy is anticipation mingled with joy. An attitude of expectancy is wondering what GOD is going to do this year in our circumstances and our lives. He is probably already at work on many of our concerns. We may have to wait patiently for Him to reveal His good plans for us at His timing, not ours.

So as this year begins, let's focus on God's goodness and His promises instead of our own human expectations, and wait EXPECTANTLY for God to reveal His plans for the year, and we won't be disappointed. God is a good God and He always keeps his promises.

The Men's walk is almost here. The dates are February 2-5. If you have someone in mind, get them signed up. I know it will be a great walk with Kevin Ivy as Lay Director and Shannon Thrasher as Spiritual Director. Blessings are waiting for them so let's fill this walk!

The theme for Walk 107 was: Be joyful in hope, patient in affliction, and faithful in prayer. Romans 12:12
A good verse for 2023!

DeColores,
Nancy Young
