

Living Water Emmaus

July 2023

Happy middle-of-the-summer! I hope you have been able to relax a little and enjoy it because it is flying by! The rain came and then the sun came out----boy, did it ever! Such is the nature of West Texas weather.

I read something interesting in a devotional this week. A lady suggests that after someone asks, "How are you?" and you answer, then reciprocate with "and how is your heart doing?" You are much more likely to get insight into that person with a question like that. The person is usually pleasantly surprised and maybe even honored by the time you took to notice him or her. We live in such stressful, hurried times that we often forget that there are people around us every day that would be so blessed by a kind word and a smile. Let's Do It!

"So we keep on praying for you, asking God to enable you to live a life worthy of His call. May He give you the power to accomplish all the good things your faith prompts you to do." 2 Thessalonians 1:11

We have community meeting this Thursday evening at Grace Methodist Church in Plainview. Let's all do our best to be there to fellowship with and encourage each other.

DeColores,

Nancy

WALK #110

Living Water Emmaus Family

I wanted to say thank you, thank you, thank you. Women's Walk #110 was a spirit filled joy that the pilgrims and team will never forget. God showed up and showed out. I wish all of you could have witness the miracles and life changing events that we saw. We heard so many "BUT GOD" stories and testimonies. The ones that only our Lord and Savior could make come out on the other side of the valleys with love, grace, and peace in our lives.

The team members that God nudged to say yes kept their divine appointment with Jesus. They were not only blessed but blessed those 23 pilgrims God sent our way to love on. We witness chains being broken, hearts and relationships mended and forgiveness flowing freely.

I want to give all the praise and glory to our Lord Jesus Christ. For his plans far outweighed any thing we could have done on our own. Why are we so surprised when things far exceed our expectations when we turn it over to Jesus. Again, thank you community for sacrificing and pouring out Jesus's love on each of these beautiful daughters of God

It was a humbling honor to serve as Lay Director for Walk #110. My prayers for this walk were answered time and time again. Still when I run into one of these girls, team or pilgrims, they still have that Emmaus Holy Glow Face. I love getting to witness that part!

Blessings and DeColores!
