

# Living Water Emmaus

August 2023

Hello Emmaus friends. Fall is in the air! Just kidding! But hopefully, it is on its way. School is starting, so it makes me think of fall. Many of our area schools open their doors this week, so this is a good time to pray for our students, teachers, administrators, and all the staff that will be starting a new year. Let's remember to lift them up and pray, most importantly for the safety of all who walk through the doors of our schools. Along with that, pray for new beginnings, new friendships, new accomplishments, new understanding in each person's life, students and teachers alike. In many of our small towns the school is the focus of the community and the hub of so many of the activities throughout the year. It is so important in the lives of our children! Please remember to pray for God's **protection** and **blessings** on our schools.

Also, be praying about the Men's Walk in February and who God would have you sponsor.

Don't forget about the community meeting this Thursday, August 17, at the Western Heritage Church in Hale Center. It is always a great evening seeing our Emmaus brothers and sisters and worshipping together.

DeColores,

Nancy
