

# Living Water Emmaus

May 2024

Living Water Emmaus,

Wow! Here we are in May. The Lord has made it very clear he is doing a work in our Living Water Emmaus community this year. I truly believe, we will see a twofold in this size or our community this year. That's not a limitation, and the Lord may increase it more than that. Amen? This is good news and I need each member of the community in agreement. It's evident, Patsy Ivy's Walk 112, was full before the first team meeting. Let's get behind the walks this year and support it like never before. Let us saturate walk 112 with community during "send off" and candlelight. These moments can be ultra special and mean so much to those that experience its. Our community has an amazing body of servants that are just looking for places to serve. Let us take advantage of our servant hearts and love these new pilgrims. The Lord promises to bless our hands. "Let the favor of the Lord our God be upon us and establish the work of our hands upon us; yes, establish the work of our hands!" Psalm 90:17 This year, each of us will establish our work in Emmaus. In turn, it will prosper amazingly. It's time to build the leaders in the Church, Emmaus is designed to do. I ask everyone, to make your walk known. If you want to serve on walks let the community know. If you want to create Agape, let us know. If you want to pray, sign up. If you want to serve with music, let the community know. If you just want to sponsor Pilgrims, get them to the applications. Each of us, has gifts the Lord will prosper. Let the Lord use each of us, to expand this life changing community of believers.

De Colores,

Christopher Rowten
