

Living Water Emmaus

September 2024

LWE,

Just ended walk 113! What a blessing to witness the men of this walk. Candlelight was amazing and attendance was as good as I have seen. Closing and sendoff were equally blessed with Living Water Emmaus Community. Johny Boyce chose a spirit led team that did their job well. At closing 3 men stood that had received salvation and the entire team and pilgrims stood to signify they had rededicated their lives to Christ. That is a first, that I have seen. Thank you, Father in Heaven!

The community is beginning to mold back to higher attendance and blessings. Local churches have gathered to sponsor 16 pilgrims per walk for the next 4 walks. We are making strides to train our upcoming leaders and keeping each other informed. I am in awe of the movement of Living Water Emmaus. I look forward to She Adrian and the team of walk 114. Most importantly, I look forward to the new women that will be introduced into Living Water. Let's support walk 114 with sendoff, candlelight and closing attendance. Let's do what we do and show these women the love of Christ.

DeColores,
Christopher Rowten
