

Living Water Emmaus

October 2024

Living Water Emmaus,

It Seems like 2024 is a blur. It is such a relief to me, to see what the Lord has done this year. He is faithful to complete what He started. I am so grateful for His mercy and grace in our Emmaus community. I am grateful He has blessed us, sometimes even in spite of our mistakes. I have seen some amazing transformations this year. I have seen men and women step into leadership. I have seen salvations and rededications. I have seen a community with servants' hearts.

Thank you, LWE for the anonymous servitude that so many of you have given this year. We just had two walks back to back. Johny Boyce with walk 113 and Shea Adrian with walk 114, and I am certain the Lord's presence anointed the outcome of those walks. Did you see the Attendance at the last two Candlelights? Those candles lifted high were a beautiful thing. The prayers, the full prayer vigils, the agape and outpouring of our community is awesome to witness, I look forward to seeing each of you at community. We only have three left this year.

Decolores,
Christopher Rowten
