

Living Water Emmaus

November 2024

Living Water Emmaus,

It's November and the year appears to have flown by at Mach speed. In reflection, I am so grateful at what the Lord has done in our community this year. I'm already peaking over the fence in 2025, and in awe of what the Lord intends to do. I know I should stay grounded in today, and I will. I will thank Him for the new community members we have acquired this year. I will thank Him for the financial support of churches He has brought to us this year. I will thank Him for miracles and leaders only possible with our Father in Heaven. Thank you, Father! Thank you for allowing me to be a part of a community that serves you.

I love this time of year. I love Thanksgiving and the focus on family. I ask each of you to honor God during your family gatherings this year. I ask that we dwell in a spirit of gratitude and thanksgiving. In my heart, my family extends far beyond my immediate family. God has gifted me with an amazing body of believers. I have brothers and sisters that encourage me and support me, through Emmaus. Thank Lord for the Emmaus family.

I look forward to seeing everyone at the last communities of 2024.
